Upper Mount Bracket

Attach either Upper Mount Bracket to extrusion, sliding T-slot retainer into rear slot. Position as shown below and tighten when in correct location.

Step 2:

Remove two flange nuts while your helper is holding the carriage bolts in place from the back seat.

Step 3:

Place the gun mount assembly in the recessed area of the partition. Insert the top bracket onto the carriage bolts and secure with previously removed flange nuts.

Step 4:

Attach the lower bracket with the provided carriage bolts and flange nuts. Secure all four mounting points and finish assembly with provided black plastic nut covers.
