The A-MOD is engineered to be lightweight, yet rugged. Manufactured from steel, high strength aluminum, and composite materials where it makes sense. It's not real security if a laptop can be simply be stolen by jimmying the lock or bending the clamps. The A-MOD features a high-security solid brass tubular lock and case-hardened steel clamps.

A-MOD DESKTOP (450-4138)

- A. Side Clamps, Short or Tall (Case Hardened Steel)
